Congratulations to the 2023 Golfer of the Year

JEAN BEAN

Jean has been a stalwart within the ladies section this year, returning 20 scores throughout 2023. Between June and August this year, Jean recorded her best gross score, and then went on to beat it again a month later! She has played some fantastic golf and has seen her handicap drop from 28.6 to 23.9 as a result of some great finishes! Well played Jean!

Club Captain **JACK HOWIE**

When I look back on the golf at Horsham in 2023, the first thing that strikes me is seeing 100 of you in the pouring rain and freezing winds, joining me on Captains' Day. Congratulations to Trevor Card and Harry Harrison's team for taking the big prize on the day... although I still don't think I have heard the end of it!

I would like to thank you all for your support over the last year and I am astounded by the generosity shown by all sections of our golf club in raising money for our club charity COPS. The money we have managed to raise will really make a difference.

This year has been full of many highlights, and I would like to thank you for making the effort to make each event competitive and fun. This was probably typified on Day 2 of the Club Championships, when we had a tie for first place in the handicap competition. Mike Freeman, who held the clubhouse lead, decided that he would eat a light sportsman's lunch of a burger and chips with a couple of pints before finding out that he would be in a playoff with Richard Budd. Needless to say, the playoff hole carried all the drama of a Shakespearean play, with Mike winning the trophy with a 7 or 8 or 9, I lost count. Well done to Jason for retaining the scratch title!

This year saw the second of our Super Saturday competitions with more prizes on offer than the Generation Game. Again, it was a hotly contested competition with Ian Bridgewater certain he had done enough to snatch the top prize, only to be pushed into second place by Shane Condell, a worthy winner.

The Masters provided great entertainment, and incredible second round scoring. We wait in anticipation to find out Peter Bayles' meal choice for 2024. The Spring Cup and the Autumn Cup competitions demonstrated some excellent golfing talent within the club. Night Golf showed some of you play better in the dark!

The Saturday Club vs The Sunday Strollers proved to be another great event with matches over two days playing multiple formats. Congratulations to The Strollers for a commanding win, I think the TSC will need to bring their Sunday best on both days next year.

All of the competitions and matches would not be able to run if it wasn't for the support of people willing to give up their time to help our club. I would like to thank the committee, Howard Manion, Trevor Card, Marc Oratis and Heather Frewer, for helping me over this year and planning for the future of this golf club. A thanks to Josh Budd for all of the time he puts in to making sure every event runs as smoothly as possible.

I wish you all the very best for 2024 and may all your balls find the short stuff and never lip out.

ORDER OF MERIT

2023 WINNER – TREVOR CARD

In 2024, we will be running an Order of Merit series. The series will begin in February and finish in September. All of the events listed below will count towards the overall table. There is a total of 13 events, so the more you play in, the better chance you have of winning this year's Order of Merit.

This year's Club Championship will again be awarded on nett results, but will offer double order of merit points, so a must play!

The Captains Scramble will be a pairs event, and points will be awarded as per the points table but to both players in the pair.

COMPETITIONS INCLUDED:

11th/12th February – Club Competition

8th/9th March – Club Competition

1st April – Captains Scramble

7th/8th April – Club Competition

12th/13th April – Horsham Golf Masters

ENTERING EVENTS

This year all club events will be listed and entered via the Intelligent Golf Members App, under 'upcoming competitions'. The entry fee will be debited from your Horsham Golf Members account at the point of entering. You will receive notification once the draw has been made.

Some of our competitions run over a Friday/Saturday, as well as a Sunday/Monday. If you enter on the Saturday or Sunday you will be included amongst the allocated tee times, unless you make us aware that you have booked your own tee time. Please email josh@horshamgolf.co.uk in this instance.

Players who withdraw with a minimum of 24 hours notice will receive their entry fee refunded. Where less than 24 hours notice is given, entry fees will be retained. This only applies to players in the allocated tee times.

All Club Competitions require you to swap and sign scorecards. If a scorecard is not present at the time of the results being finalised, or a card is not signed and countersigned, you will be disqualified from the competition.

Please ensure you check when the entries close, as late entries are at the Club's discretion and will not be accepted if the event is full. We aim to play in 3-balls in all events (scrambles not included) to encourage a good pace of play.

DO YOU OR A MEMBER YOU KNOW NOT CURRENTLY HAVE A HANDICAP?

It is easy to get a handicap and get playing in club events!

To get a handicap with Horsham Golf, you need to complete 3 x 18-hole rounds here at Horsham Golf, with a 'responsible adult' marking and countersigning your scorecard. You must include the date you played and which tees you played off.

Please hand all 3 scorecards into the Pro Shop together and you will be emailed a copy of your handicap.

Until you have a full record of 20 scores, your handicap index is worked out with the following formulas:

3 scores: lowest score -2

4 scores: lowest score -1

5 scores: lowest score

6 scores: average of lowest 2 scores -1

7 to 8 scores: average of lowest 2 scores

9 to 11 scores: average of lowest 3 scores

12 to 14 scores: average of lowest 4 scores

15 to 16 scores: average of lowest 5 scores

17 to 18 scores: average of lowest 6 scores

19 scores: average of lowest 7 scores

20 scores: average of lowest 8 scores

Therefore, until you get a full record of 20 scores, the calculations behind working out your index are very harsh, meaning your handicap is lower than it might be once it is fully developed.

If you have any questions regarding the WHS system or your handicap, please email Josh on josh@horshamgolf.co.uk

Who can play?

Eligible to all members. 5 day members will need to pay a green fee if a match is played on a weekend (guest rate green fee).

Black Tees - Gents | **Green Tees** - Ladies

Cost to enter?

All knockouts will be charged at £5.00.

Singles Knockout:

Full Handicap Matchplay Competition

Pairs Knockout:

Greensomes Format - 60% lowest handicap + 40% highest handicap - Both players tee off, pick the best tee shot, and then play alternate shots until the hole is completed.

Scratch Knockout:

Knockout where all golfers play off a handicap of 0

Rules:

1. Top player/players must offer 3 dates to the opponent with reasonable advance notice. We expect competitors to be reasonable and work together in achieving a result.
2. Where matches are not completed by the due date, and reasonable effort is made by the top player/players, the top player/players will go through.

Please Note:

The committee will have the final decision on rules one and two and hope competitors will enter into the spirit outlined above.
